

Don't let **WHAT IF** become **WHAT NOW.**

Emergencies happen. A natural disaster, like a flood or tornado—even something intentional. Either way, it can affect you and your family.

Do you have a plan? Does your family have a meeting place? Will you have enough food and water stored? Prescription medications? What about your pets?

Learn how to get you and your family ready. Go to codeready.org and get prepared.

Plan smart. Plan now.
