

Transportation Accident Checklist

Be Prepared

- Create a codeReady Plan that includes a Go Plan.
- Build a 3-day codeReady Kit. (You may need to take part or all of this kit with you if you leave your home.)
- Keep an emergency car kit in your vehicle.

Prevent Accidents

- Listen to the advice of traffic safety and law enforcement officers throughout Minnesota: Don't drink and drive.
- Buckle your seat belt. Maintain safe speeds.
- Place children in approved car seats.
- Avoid distractions while driving. Watch for pedestrians in crosswalks.
- Regularly maintain all vehicles.
- Keep your insurance card, a camera and a pen/pencil in the glove box of your vehicle.
- Follow instructions on what you can pack or carry on a passenger airline; security inspections and measures are for your protection.
- Observe your surroundings whenever you travel and pay attention to national and international alerts.
